

## Tranpath MP4

The Tranpath MP4 is a unique, high performance passenger car tyre with high levels of cornering grip and low tread noise. The Tranpath MP4 is designed specifically for people movers and large sedans. The Tranpath MP4 supersedes the Tranpath MP3.

FEATURE	BENEFIT
Asymmetric tread pattern.	Low tread noise with high levels of cornering grip.
Four wide main grooves and rib outside shoulder pattern design with Multi-wave sipes.	Superior water drainage, resistance to outside shoulder wear and feathering of the tread blocks.
High stiffness casing.	Improved dry cornering performance, stability and resistance to outside shoulder wear.
"Silent wall" main circumferential grooves.	Reduction in pattern-noise (pipe resonance noise).
Revised dual tread compound compared to Tranpath MP3.	Improved wear resistance & rolling resistance.

### DIMENSIONAL DATA
